Snow Plowing

Homeowners should be aware that **shoveling or plowing snow onto or across roads is illegal**. Also, make certain that trash containers are not placed on edge of road until snow has been removed. Sympathy and condolences are extended to the families of longtime Arcadia Township officials who recently passed away:

James D'Arcy (Planning Commission & Zoning Board)

Kathy Lowe (Township Board & Elections)

Tom Gormley (Board of Review)

Patti Cohoon (Treasurer, Deputy Treasurer & Planning Commission)

Each of these individuals served our community for many years. We will long remember them for their service and dedication to the Township.

Gypsy Moths

We have been collecting information concerning this destructive pest. Visit our website or call 810-724-6565 as more details become available to help control the population in the Township. Any control measures must be done in early spring to be successful in reducing the amount of damage to trees on your property.
